

**CANDIDATE FOR GOVERNING BOARD MEMBER
SNOWLINE JOINT UNIFIED SCHOOL DISTRICT**

NAME: MICHAEL PATTERSON

AGE: 57

OCCUPATION: Incumbent

Our communities' children deserve the best educational opportunity we can afford them under the direction of an experienced and qualified governance team. As a **first** term member of that team I am committed to that goal and I have the knowledge and experience to continue my contribution. This September, I will be the first Trustee to complete a three year program to obtain a "**Masters in Governance**" sponsored by the California School Boards Association better qualifying me for the work ahead.

Snowline has maintained its solid fiscal course, continued to increase the state and national testing scores and enhanced its website to make contact with the staff and community user friendly. As the challenges of growth confront us we need to be informed of the concerns and convictions of our parents, staff, and community.

As a charter member of the Tri-Community Kiwanis Club, I have continued my support of the programs that make a difference to the children of our communities through the Builders Clubs, Key Club and Head Start programs.

My enthusiasm for kids and knowledge of the public system make me an ideal candidate to continue the important work of educating our children.
